early
The Honorable Mike Mansfield
United States Senate
Washington 25, D. C.

Dear Mike:

Upon receipt of your letter of November 3, 1954, with its
enclosure concerning [redacted] a review was made
of the files to determine what the facts were in this case. 25X1

25X1
The files show that [redacted] was interviewed by CIA
in July 1952, but we were unable to find a place for her at that
time. [redacted] wrote in requesting reconsideration of her
application in November 1953 and again in 1954, and on both
occasions we informed her that we did not have a position for her. 25X1

25X1
25X1
CIA does not have any information regarding the status of
[redacted] clearance, as we do not initiate security clearance
of applicants until we have determined that we will consider the
specific applicant for a specific vacancy. As there was no suit-
able vacancy for [redacted] we did not undertake any security
investigation in her case.

25X1
I trust that the above information will be of assistance to
you in replying to [redacted] letter, which I am returning here-
with as you have requested.

With kindest regards.
